Ansty

Aerial Survey Of St James' Church Ansty

On 20 April Alex Oldfield of Waypoint Aerial carried out an aerial survey of the roof of St James' Church Ansty using a camera-equipped drone. The images will be used to review the condition of the roof, in order to help identify problematic areas and act as a guide for repair work. The drone provided a safe and unintrusive way of gaining images of problem and hard to reach areas, which would otherwise have required extensive scaffolding to reach.

As we collected a large number of overlapping images of the roof we were also able to process these using photogrammetric software to create a 3D model of the roof, which is useful both architecturally and to provide an overview of the roof as a whole.

‘They Went To War’ - an unintended gaff!

100 years ago during the Great War, not everybody who wanted to fight in the Armed Forces was able to do so; many people in towns, cities and on the land were doing essential war work and were not allowed to enlist. Able-bodied men, dressed in civilian clothes, stood out and, when unknown, were thought to be ‘shirkers’. This often led to the indignity for them in being given a white feather by women; women who, very likely, had already seen their men and boys go off to war. In one case a young officer, on leave and in civilian clothes in London, was accosted and given a white feather; what the hapless woman had not known was that very afternoon he was to be presented with the Victoria Cross by the King.

The social story of the Great War and its impact on the Nadder Valley will be told with music, song, poetry and readings at a special concert in Dinton Village Hall on Friday 2nd & Saturday 3rd November. The concert is an opportunity for those living in the Valley to celebrate the service of the men and women from our villages who went to war during the tumultuous years 1914-1918 and to remember the fallen; a short Act of Remembrance will be included in what will be a very moving programme. The Wilton Royal British Legion Band and the Fovant ‘Valley Choir’ will play a prominent part and funds raised will go to local charities. An event not to be missed at the Armistice Centenary!

Tickets (£12.50 including a glass of wine/soft drink) are available from Paul Rae in Fovant – E: paul.rae@molyrose.co.uk. Tel: 01722 714 947, Mob: 07803 165 448
